Cambridge International AS & A Level Physics builds on the skills acquired at Cambridge IGCSE (or equivalent level). Find out more on our website.

Cambridge International AS and A Level Physics (9702)

Section 1.1 - Basic Physics. Since all derived quantities, like 'energy' or 'force' are based upon base quantities, it must be possible to express their units in terms of base quantity units (kg , m , s , K , A or mol). To change SI units into base SI units, you simply need to think of an equation containing base.
