Atlas of Ocean Adventures is a fantastic book that I would recommend for any young person who is keen to explore the amazing creatures that live in the world's oceans. The book is full of gorgeous illustrations that make you want to turn page after page.

Atlas of Ocean Adventures: A Collection of Natural Wonders ...

I love this book, I also have Atlas of Adventures which is brilliant and has gone down a storm with every child and adult I've shown it to. The latest in the Atlas series is just as gorgeous as the first, and I love the characters and scenarios the illustrator has brought to life on each page, my favourite being the flirty tiger and the walrus and his woolly hat.
