That is what failing forward is. Most of us are given some adversity or defeat, and we think that is the end of the game. But the fact is that if we are going to continue to press forward, when we get the defeat, when we are hit with adversity, if we will learn to fail forward, we will increase our opportunities for success.

successes. Turning failure into knowledge is instrumental to success. Overcoming our fear of failure and taking new risks brings long-term success.

## **Failing Forward by John C. Maxwell - Blinkist**

Failing forward or falling forward as some prefer to call it has become a ubiquitous part of business lingo. There's this almost sadomasochistic notion that it's OK to fail, not only OK but a right of passage. On one level these terms have been misappropriated and are being used too loosely, just more...
