Gender Justice, Development, and Rights (Oxford Studies in ...

Part II examines the gender implications of the tensions between orthodox macroeconomic agendas, social rights, and welfare delivery. Part III centres on the place of women's movements in states and social movements that claim democracy as a legitimising principle.

Gender Justice, Development, and Rights - Oxford Scholarship

In January 2000 UNRISD initiated a research project, Gender Justice, Development and Rights, to examine the ways in which liberal rights, and ideas of democracy and justice, have been absorbed into the agendas of women's movements and states in different regions.

(PDF) Gender Justice, Development and Rights

The 1990s represented a shift in the international development agenda in the direction of a greater emphasis on rights and democracy. This brought many positive changes in women's rights and political representation as well as in human rights more broadly.

Gender Justice, Development, and Rights - Maxine Molyneux ...

Gender Justice. Sexual and gender-based violence has a devastating, long-term effect on the lives of victims, their families and communities, and impedes development progress. Where sexual and gender-based violence persist, women and girls are disproportionately affected. UNDP works with national partners to increase their capacities to prevent...

Gender justice | UNDP

Gender Justice and Human Rights in International Development Assistance provides a critical analysis of how frameworks of gender equality play out in the field of international development assistance, at theoretical, international legislative and policy levels, donor and national policy levels and programme levels.

Gender Justice and Human Rights in International ...

The central instrument for the protection of rights has been, and must remain, the state. As women's movements turned their attention in the 1990s to rights issues, they were drawn into engagement with the state as rights activists and as participants in government.

Gender Justice, Development and Rights | Publications | UNRISD

The state of gender and rights globally, and programming practices that work toward justice, strong communities, development and peace. Priority Areas This resource serves as a curated collection of basic information on the state of gender justice globally.

Gender in Practice | CARE

Gender Justice is indispensable for development, poverty reduction, and is crucial to achieving human progress. Realizing it includes sharing of power and responsibility between women and men at home, in the workplace, and in the wider national and international communities.

Gender justice | Oxfam

Gender Justice, Development, and Rights reflects on the significance accorded in international development policy to rights and democracy in the post-Cold War era. Key items on the contemporary policy agenda - neo-liberal economic and social policies, democracy, and multi-culturalism - are addressed here by leading scholars and regional specialists through theoretical reflections and detailed case studies.
