John Deere Model M In Antique & Vintage Equipment Parts ...

it worked and fit with no modifications. I have a 2007 john deere 105, this will be the third deck on it. The first was the original deck, then I put a used deck on it, and now this new one. I think I might get 7 years out of this one. John deere mower decks are made of thin cheap metal but the mowers are comfortable and make well.
