This meditation is very simple, but very powerful if you do the combination right. It looks simple but coordinates both areas of the brain, gives you powerful insight, and coordinates the mystery into mastery of the three bodies. Though it looks simple, it works for many complications. When you do not know what to do, do this. Posture: Sit in Easy Pose with a straight spine.

Many yoga schools, especially Kundalini yoga, believe that practicing a particular kriya every day, for 40 days, is what's needed to form new habits and get rid of old ones. Forty is the magic number here, and the practices are best done first thing in the morning, before your day takes off in every which way.
