### No Sea Too Rough The

Providing the all-important food, fuel and ammunition to the British task force was the job of the Royal Fleet Auxiliary -- whose unofficial motto boasts 'No sea too rough, no task too tough'. Belying their 'auxiliary' tag, RFA ships were in the frontline from the beginning, launching military operations and taking casualties, but their real contribution has never been fully appreciated.

The seas were too rough... Although the ski was blue, the seas were very rough on our tour day. The morning tour had been cancelled due to the seas, and ours should have been also. We did see several humpback whales, but because of the seas, they would not stay at the surface. So our sightings were brief glimpses.
