Rainmaker definition is - a person who produces or attempts to produce rain by artificial means.

Rainmaker | Definition of Rainmaker by Merriam-Webster

In business, a rainmaker is a person who brings in new business and wins new accounts almost by magic, since it is often not readily apparent how this new business activity is caused. It means generating substantial new business or additional cash flow from sources sometimes outside established business channels, sometimes by connecting with people in non-traditional or hidden markets, and ...
