### Rubank Elementary Method Saxophone Rubank

I've recently started learning to play the saxophone. Multiple people said the Rubank Method was the method I should be using, so I picked up this book. As a learner, I can't really compare it too well to anything else out there. I will say, however, that I'm having a somewhat-difficult time reading the music.

The Rubank method has been around in schools for years. By this time the instruction is greatly simplified. However, this book is intended for a classroom setting where an instructor fills in the information not included the text. The Rubank method books are not self-instruction material. Still has the sturdy,...

Rubank's Advanced Method for the saxophone, written by Voxman and Gower, is in the series of method books that concentrates on the essentials of learning an instrument. In addition to scales, which are of prime importance, it offers variations that keep the drills from becoming boring. Yes, you have to work at it, but it doesn't have to be a chore.

Hello, how long do you think it takes to go through the first (elementary) Rubank method for the saxophone? I know it depends a lot on how often and how long one practices, but in general, what is a good guideline? Once that method has been completed, is one capable of playing in a community band? Thanks! 8-)

Altissimo is an advanced topic. The OP expressed that he was a beginner, introduced to the sax in elementary school 20 years ago with no further progress, so learning altissimo is way too early in the game. I still have my Rubank Advanced Method Saxophone Volume II and their Selected Duets from 40 years ago.
